Treasurer's Status Report: \$1,031.000 in the bank. The club received a \$15 check from Barber Motor Sports in Birmingham for David Van 'O attending an event.

## Announcements

No announcements this month.

## Old and Unfinished Business

### Casper and Friends Ghostly Drive on Saturday, October 29

Starts again at the Greenbrier Restaurant

Dinner at 4:15

Leave for drive at dark

RSVP for dinner and/or drive by Friday, October 21st

The CD is almost complete. The drive this year will be shorter, however, the first bathroom stop is 80 minutes into the drive. There are a number of drivers from Bluegrass Minis who will be coming down to join us for the event. At present, there are approximately 18 cars and 35+ people signed up for the Spooky Drive.

### Antler crew for the Christmas Parade on December 2

Need commitments for those wishing to participate

Plan an antler-making party for maybe around the 3rd week in November

All at the meeting wanted to participate in the Christmas Parade. Donna said that she would start a thread to see how much interest there is in the parade. All believed that Rudolph needed to be a

Classic Mini. It was also suggested to get Mike McCoy involved so that we could all have a graphic on the side of our vehicles. Donna was going to pursue the directions for the antlers and perhaps we could commandeer a member with a large basement to let us come and make the antlers. David Blakey said the Blakeys would be glad to have an antler party.

## **New Business**

Susan Jacques said that the \$25 renewal fee for our domain name is due. She asked if we wanted to keep our domain name and renew or do something else. It was moved and seconded that we keep our domain name and pay the renewal fee.

## **Available Motorsports Activities**

Sunday, October 16 at Rockwood

Sunday, November 13, TBA

**Phil Wicks** – October 1 at Nashville SuperSpeedway  
October 23 at Talladega Gran Prix  
November 13 at Carolina Motorsports Park

There was a discussion regarding Phil Wicks events. The Talladega event is cancelled due to lack of interest. Phil is having a hard time getting people to sign up ahead of time. This puts a hardship on him because he has track fees and other expenses to attend to, so if anyone is planning an event please sign up ahead of time. Also, get the word out to any others who want to participate in his track days.

Eric from Chattanooga posted a Drivers' Ed event at Barber for Nov. 4th and 5th:

## **Oral Communications**

## **Swap and Sell**

## **Announcements**

David Kimble has a new job and can get MINI parts from Nashville overnight. If you need anything please contact David.

Technical Questions and Answers

## **Adjourn**
